

Net Set GO! is Netball Australia's Junior Netball Program and is now available through Netball Tasmania.

Introduction

Net Set GO! Is Netball Australia's Junior Netball Program.

It has been developed to provide children from the age of 5 to 10 years with the best possible learning and playing experience that enables them to develop a positive introduction to netball, ensuring enjoyment and continued participation within the sport.

Net Set Go! Incorporates Netball Australia's modified junior programs FunNet and Netta into a fun and safe weekly program.

The program incorporates skills, activities, minor games and modified matches and will be co-ordinated by accredited coaches to ensure a quality experience for all participants.

The major objectives of Net Set Go! Are:

1. To provide every primary school aged child in Australia with the opportunity to experience netball.
2. To deliver a national junior development program that promotes netball participation.
3. To address the issues of childhood obesity by providing a low cost, easily accessible and community based exercise option for primary school aged children, in particular young girls.
4. To provide primary school aged children, especially girls with the opportunity to meet and interact with elite netball role models.
5. To provide a skill development program that provides, especially young girls with the same opportunities to experience sport, develop self-esteem and learn new skills.
6. To provide opportunities for children and parents to participate in physical activities together.

The program has been designed to complement the existing netball infrastructure by providing community groups such as associations, clubs and schools with quality resources and equipment to deliver an age and skill appropriate netball program.

Program Benefits

- A program that enables all individuals to experience personal achievement in terms of competence, enhances self-esteem, social co-operation, maximum participation and skill development in a fun environment.
- Appropriate warm-up activities.

Kingborough Netball Association Incorporated
P O Box 253 Kingston 7051
